PURPOSE

- 1.01** The general purpose of this agreement is to establish an orderly collective bargaining relationship between The University of Western Ontario (hereafter referred to as the Employer) and its employees represented under this Agreement by the Public Service Alliance of Canada (hereafter referred to as the Union) and between the Employer and the Union, to encourage efficiency of operation, to ensure the prompt and peaceful resolution of disputes and grievances and to set forth an agreement covering rates of pay and other working conditions.
- 1.02** The parties recognize that it is in their mutual interests to promote and to enhance the working relations between the Employer and the Union and its members on the principles of mutual respect and cooperation and to foster a climate of freedom and responsibilities appropriate for the promotion of excellence in the University.

Article 2

DEFINITIONS

2.01 “Employee” means a member of the Bargaining Unit.

“Term” means one of three periods, September 1 to December 31, January 1 to April 30, or May 1 to August 31.

“Standard internal user rates” means those charges for services levied against entities whose budgets are not administered by the Employer.

“Membership dues” means those monies established pursuant to the constitution of the Union as the dues payable by employees covered by this Agreement.

“Person designated by the Department, School or Faculty” means the individual, or alternate, who has been assigned the role and responsibilities as enunciated throughout this Agreement by the Unit Head where the employee works.

“Local” means the P.S.A.C. directly chartered local 00610.

“Days” means business days unless otherwise stated.

The limitation of Graduate Teaching Assistantships (GTAships) to registered full-time graduate students does not restrict GTAship

- 2.02** Where the feminine pronoun is used in this Agreement, it includes the masculine pronoun, and vice versa, where the context so requires.

Article 3

- 9.05** Consistent with this Article, the person designated by the Department, School or Faculty and the appropriate Union representative are encouraged to meet to discuss any general concerns which may exist relative to the working conditions within the Department, School or Faculty.

Article 11

GRIEVANCE AND ARBITRATION PROCEDURE

- 11.01** A grievance is defined as any work-related dispute arising out of the interpretation, application, administration or alleged violation of the specific terms of this Agreement. It is the mutual desire of the Union and the Employer that grievances should be addressed as quickly as possible.
- 11.02** The Employer acknowledges the right and duties of the representatives of the Union to assist employees in preparing and presenting a grievance.
- 11.03** **INFORMAL DISCUSSION:** Before a grievance is filed formally, and whenever it is possible, the person designated by the Department, School or Faculty where the employee works will be

given the opportunity to resolve the matter in accordance with the following:

- (a) The employee shall discuss the matter, accompanied and represented by a representative of the Union if she/he wishes, with the person designated by the Department, School or Faculty where the employee works. The matter shall be brought to the attention of the person designated by the Department, School or Faculty within twenty one (21) days after its occurrence, or from the date the employee ought reasonably to have been aware of the occurrence of the circumstance giving rise to the matter.
- (b) The discussion shall take place within five (5) days after the matter is brought to the attention of the person designated by the Department, School or Faculty. If requested, the person designated by the Department, School or Faculty shall give a reply in writing within five (5) days of the discussion.
- (c) The parties agree that as a result of extenuating and exceptional circumstances, the Union may represent an employee at the Informal Discussion stage of the Grievance Procedure (Article 11.03) to facilitate resolution of a work-related dispute.

11.04 STEP ONE

- (a) If a matter is not resolved by the Informal Discussion with the person designated by the Department, School or Faculty as provided for in 11.03 above, a grievance shall be submitted to the Dean of the Faculty (or designate) where the employee works within ten (10) days of the discussion provided for in 11.03 above. The grievance should be stated in writing on a numbered Grievance Form provided by the Union, outlining the facts of the grievance, the Article(s) of the Agreement alleged to have been violated, and the relief

sought. The form must be signed and dated by the grievor and a representative of the Union.

- (b) The Dean (or designate) shall convene a meeting with the employee, up to two (2) Union representatives and up to two (2) Employer representatives to discuss the grievance within ten (10) days of the receipt of the grievance and shall respond to the grievance, in writing, within seven (7) days of this meeting.

11.05 STEP TWO

If the grievance remains unresolved following the STEP ONE process, the grievance may be submitted to the person designated by the Employer (or designate) within seven (7) days of the STEP ONE reply. The person designated by the Employer (or designate) shall convene a meeting with the employee, up to two (2) Union representatives and up to two (2) Employer representatives to discuss the grievance within ten (10) days of the receipt of the grievance and shall respond to the grievance, in writing, within seven (7) days of this meeting.

11.06 If the grievance remains unresolved following STEP TWO, the grievance may be submitted to Arbitration as set forth in Article 11.14 – 11.22. If no written request for Arbitration is received within thirty days of the receipt of the decision under STEP TWO, the grievance shall be deemed to have been terminated.

11.07 Where no answer is given within the time limits specified in the Grievance Procedure, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure. Any grievance that is not commenced or processed to the next step in the Grievance Procedure within the aforesaid time limits, or as mutually extended, shall be deemed to have been terminated.

- 11.08** A group grievance shall be initiated should more than one employee be grieving the same alleged violation. Failing resolution of the matter following the Informal Discussion, as provided for in Article 11.03, a group grievance shall be submitted at the STEP ONE stage. All employees affected may sign the grievance but only one affected employee may be present at the Informal Discussion and at each step of the grievance process. Up to three additional employees from the group may be called as witnesses. Any agreement under this Grievance Procedure would be applied to all affected employees who signed the grievance.
- 11.09** A grievance as defined herein arising directly between the Employer and the Union shall be originated under STEP TWO. However, it is expressly understood that the provisions of this paragraph may not be used by the Union to institute a grievance directly affecting an employee or employees which such employee or employees could themselves institute and the regular Grievance Procedure shall not be thereby by-passed. Any grievance by the Employer or the Union as provided in this paragraph shall be commenced within fifteen (15) days after its occurrence or from the date the Employer or the Union ought reasonably to have been aware of the occurrence of the circumstances giving rise to the grievance.
- 11.10** An Employer grievance will be submitted to the President of the local and shall be originated at STEP TWO. The President of the local will deliver his/her decision in writing within seven (7) days of the hearing provided for in STEP TWO.
- 11.11** All of the time limits fixed in this Article may be extended by the mutual written consent of the parties.
- 11.12** The employee and a representative who accompanies this employee under this Article will not suffer a loss in pay as a result of attendance at meetings between the Employer and the

employee as provided for under this Article. Both the employee and the representative will provide as much advance notice as possible to the person designated by the Department, School or Faculty where they are employed of any such meetings that conflict with their employee responsibilities.

11.13 If the Union notifies the Employer in writing of an alleged violation of the Collective Agreement but indicates a decision not to grieve, this decision shall be without prejudice to grievances on similar matters. Furthermore, the withdrawal of a grievance at any step shall be without prejudice to grievances on similar matters if the Employer receives written notification of this decision from the Union.

ARBITRATION PROCEDURE

11.14 If the Employer or the Union requests that a grievance be submitted to Arbitration, it shall make such request in writing addressed to the other party within thirty (30) days of the written decision of Step Two pursuant to Paragraph 11.06.

11.15 Grievances shall be heard by a single Arbitrator.

11.16 The Party applying for arbitration shall provide the responding party with a list of up to five (5) Arbitrators for consideration. Within ten (10) days of the receipt of the list or recommended Arbitrators, the other party will either accept one (1) Arbitrator from the list, or submit a list of up to five (5) Arbitrators to the aggrieved party for consideration. If no sole Arbitrator can be agreed on from this list within a further ten (10) days, either party may request the Minister of Labour appoint an Arbitrator.

11.17 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.

11.18 Authority

The Arbitrator shall have no authority to add to, subtract from, modify, change, or alter in any way the provisions of this Agreement or any expressly written amendment or supplement thereto or to extend its duration, unless the parties have expressly agreed, in writing, to give it or her/his specific authority to do so or to make a decision which has such effect.

However, an Arbitrator has the power and authority as provided for in the Ontario Labour Relations Act.

11.19 No matter may be submitted to Arbitration which has not been properly carried through the Grievance procedures, except that the parties by mutual written consent, may extend the time limits fixed in both the Grievance and Arbitration Procedures.

11.20 The written decision of the Arbitrator will be final and binding upon the parties hereto, and the employees.

11.21 The parties will jointly bear the fees and expenses of the Arbitrator.

11.22 No adjustment effected under the Grievance or Arbitration procedures shall be made retroactive beyond the date of the occurrence of the matter or from the date the employee, or the Union or the Employer in respect of Article 11.09, ought reasonably to have been aware of the occurrence of the circumstances giving rise to the matter.

Article 12

INFORMATION

12.01 The Employer agrees to provide the Union with Employer-wide written rules, policies and practices and amendments thereto affecting the employment of bargaining unit members or the

working conditions between the Employer and the membership. Said policies shall be provided within thirty (30) days.

12.02 The person designated by the Employer shall ensure a complete list of the persons designated by the Department, School or Faculty is published and kept up-to-date as a public list accessible on the University web site. This public list shall include the date of the last revision.

12.03 The Union shall provide the person designated by the Employer with a list of the representatives of the Union as well as any updates or changes to that list as they occur.

Article 13

APPOINTMENTS

13.01 The Union agrees that the Employer shall make the determination as to the number and selection of registered graduate students to full or partial Graduate Teaching Assistantships based upon criteria established by the Employer.

13.02 For employees who meet departmental and program conditions for funding and progression through the graduate program, and who successfully complete their Probationary period (see Article 15), the Employer shall provide the following assurances:

- (a) Having once received an initial appointment as an employee registered as a PhD graduate student, the employee shall receive annually a GTAship for at least the same number of hours of employment, or equal support, during the first four years (twelve terms) of their program, including the probationary period.

- (i) Having once received an initial appointment as a direct entry PhD graduate student, the employee shall receive annually a GTAship for at least the same number of hours of employment, or equal support, during the first five years (15 terms) of their program, including the probationary period.
- (b) Having once received an initial appointment as an employee registered as a Masters graduate student, the employee shall receive annually a GTAship for at least the same number of hours of employment, or equal support, during the expected duration of the program, up to a maximum of two years (six terms), including the probationary period.
- (c) Having once received an initial appointment as an employee registered as a Master's graduate student and who subsequently transfers to a Ph.D program without completing the Master's program shall receive annually a GTAship during the first five years (fifteen terms) of the combined programs, including the probationary period.

Subject to the provisions of Clause 13.06 (a) (i), the Employer is under no obligation to offer a GTAship to those employees beyond the appointment commitments in 13.02 (a), (b) and (c) above, but on occasion it may do so without prejudice.

13.03 Prior to the commencement of duties, each employee will receive a general letter confirming the following (Appendix A): full or partial Graduate Teaching Assistantship and salary; and, if known, duties and responsibilities; commencement and termination date of these duties and responsibilities; hours of work; course number(s) and name of the immediate supervisor.

13.04 Prior to the start of undergraduate classes, Departments shall endeavour to fill available Graduate Teaching Assistantship positions with registered graduate students within the funding

period (see Article 13.02) from their own Department.

13.05 Graduate students who are successful to the open position as outlined in 13.06 (a) and 13.06 (a) (i) are not entitled to the assurances outlined in 13.02 (a), (b), and (c).

13.06 (a) If no such graduate students from within a Department are available, or likely to be available, to fill an open position, the position shall be opened to competition to registered graduate students from other Departments who are within the normal funding period as specified in Article 13.02 and have suitable qualifications, as determined by the hiring Department.

(i) If no such graduate students are available or likely to be available, the Department shall endeavour to fill the position with registered PhD students from within the Department, or from another Department, who at the time they would fill the position would be less than one year beyond the normal period of funding as specified in Clause 13.02 (a) or 13.02 (c) of this Article and have suitable qualifications, as determined by the hiring Department.

(b) As soon as the likelihood of a vacant position is known, a notice of position vacancy, including a brief description of duties and the necessary educational qualifications, shall be forwarded electronically to the Union and the School of Graduate and Postdoctoral Studies (SGPS), where it will be maintained for public scrutiny for a period of two weeks from the issue date on the notice. The Faculty of Graduate Studies will also post the position for this period on its web site.

13.07 Subject to the provisions of Clause 13.05 (a) (i) of this Article, an employee who does not meet departmental or program

conditions for funding and progression through the graduate program will not be reappointed. It is understood that the University's decision whether an employee meets or does not meet departmental or program conditions for funding and progression through the graduate program shall not be the subject matter of a grievance or arbitration under this collective agreement.

13.08 An employee who receives an external scholarship of at least the value of a full GTAship shall not be assured a GTAship while holding that scholarship. If the employee ceases to hold such a scholarship, that employee shall once more receive a full or partial GTAship for the duration of the period during which funding is provided in 13.02 above. The time spent holding such a scholarship shall be counted toward the period of entitlement. The Employer will fill any foregone GTAship under this paragraph in accordance with this Article.

13.09 The appointment of an employee shall include a training program as part of a GTAship and as established by the Department in which the employee works and the University.

Cancellation of Appointments

13.10 When a position which has been offered in writing, outside of Article 13.02, is cancelled and no GTAship of equivalent monetary value is found for the employee, she shall receive one-eighth of the total salary for the appointment as severance pay on the next available pay upon Human Resources receiving notification.

Article 14

EVALUATION

- 14.01** The Employer and the Union agree that the purpose of evaluation is to assess the performance of employees and to improve the quality of teaching by assisting the development of the employee's teaching skills. The Employer may conduct an evaluation during the term. The results of any evaluations conducted by the Employer shall be made available to the employees. Such results may be released to a third party only with the consent of the employee.
- 14.02** At the request of the employee, but no more frequently than once per term, the Employer shall conduct an evaluation.
- 14.03** There shall be no electronic monitoring of employees for the purpose of job performance evaluation without their prior consent.

Article 15

PROBATIONARY EMPLOYEES

- 15.01** Employees shall be considered on probation until they have completed one (1) Academic Term of employment. An employee need only complete one probationary period for their entire GTA career.
- 15.02** The Employer may extend the probationary period to a second term if the employee is not able to meet performance expectations during their first term appointment. A letter will be provided to the employee identifying the areas for improvement.
- 15.03** The Employer may directly discharge a probationary employee for reasonable grounds without using the progressive discipline

process outlined in Article 15. However, the employee must be advised of their right to Union representation.

Article 16

DISCIPLINE, SUSPENSION AND DISCHARGE

- 16.01** The Employer shall not discipline, suspend or discharge an employee without just and sufficient cause.
- 16.02** The Employer recognizes the principle of progressive discipline by adopting the procedures set forth below.
- 16.03** Employees have the right to union representation at any meeting convened with the Employer to discuss any aspect of their employment performance.
- 16.04** When an employee is to be disciplined (i.e. oral reprimand or written warning, suspension or discharge), such discipline shall only be imposed at a meeting with the person designated by the Department, School or Faculty specifically convened for this purpose. Employees and the Union Local will be given three (3) days notice and the employee advised that they are entitled to be accompanied at this meeting by a Union representative. A copy of any disciplinary letter shall be provided to the Union within three (3) days of such a meeting.
- 16.05** The Employer recognizes that an oral reprimand or a written warning should precede suspension or discharge, except in the case of gross neglect of duty, position abandonment, or gross misconduct, and that an employee shall be given a set and reasonable time period in which to demonstrate the required sustained improvement in the area of concern.
- 16.06** It is agreed that a disciplinary warning letter within an

employee's GTAship employment file shall be deemed null and void after the completion of two (2) terms of employment or a twelve (12) month period from the date of the letter and provided that no further discipline has been recorded within the period noted above. Such letter(s) shall be removed from the file at the request of the employee. If the employee does not have any further GTA appointments during their program the letter will be automatically removed from their file at the completion of their degree.

- 16.07** Employees have the right to review their GTAship employment file no more than once yearly. In order to do so, employees are to submit their request in writing to the person designated by the Department, School or Faculty. An appointment to review the file will be arranged within five (5) working days of the receipt of the request.

Article 17

Hours of Work

- 17.01** Subject to the provisions of this Article, a full Graduate Teaching Assistantship is a position that requires an average of ten (10) working hours per week, normally for a maximum of 140 hours per term and 280 hours per annum. The Employer, at its sole discretion, may employ a GTA for a maximum of 140 hours in the summer term. This summer term appointment would not constitute a component of any initial appointment as provided for in Article 13.02.
- 17.02** (a) Work assignment should not exceed ten (10) working hours per week, except as agreed to at the beginning of the initial appointment. Unless by mutual agreement, an employee cannot be required to work:
- i) more than twice the set weekly average, as outlined in

Article 17.01, in any one week during the work period;

- ii) nor can hours be carried forward from one term to another;
- iii) an employee shall not be required to work outside their set term of employment;
- iv) no employee shall be required to work more than eight (8) hours per day.

(b) Due to their unique nature, field trips are an exception to Article 17.02 (a)
