The Steward Solidarity Event is an opportunity for stewards to host an informal social event at the Grad Club to engage the members of their department.

Our local union has identified the importance of encouraging and supporting our stewards to interact with members of their departments. Through communication and dialogue we will gain a better understanding of working conditions, concerns, challenges and other issues GTA’s face in their departments.

In addition to listening to the concerns of our members, this event also creates an informal venue for stewards to highlight the services and benefits that are available to our members, such as the Extended Health Plan, bursaries and scholarships, assisting with any work related problems such as harassment, overtime pay, and so on.

Stewards who run solidarity events are expected to write up a one page report after the event and submit it to their respective chief steward. The report will essentially be a summary of work related issues discussed with members during the event. The better we understand our members’ department specific working conditions the better we as a union will be able to support and assist our members.

We feel this is a great way to encourage members in your department to come out to a social atmosphere, get to know their stewards, and have the space to talk about the work concerns and issues they face.

Such as how to book and how the budget works are included below. Importantly, please order food because it is irresponsible to purchase drinks on behalf of someone else without having made food available. The ‘preapproved’ menu items are intended to make the ordering process easy. You can always order more, up to the limit of your total event budget.

Event Details, Budgeted funds

$20 per union member in your department
  ○ This amount will cover the food and drinks and will also include taxes and gratuities
    ▪ For example, if 20 people attend the event there will be a total budget of $400 which will include the costs of food, drinks, taxes and gratuity
  ○ To be clear, a member is anyone that is either currently holding a GTA position or anyone who has held a GTA position in the past year – for instance graduate students that held a TA position in the winter or summer of 2012

Food
  ○ Pre-approved food choices are available based on the amount of food you would need for the amount of people that will attend (see below).

Drinks
  ○ Additional food and Drinks can be ordered from the bar and the bartender will keep a tab and warn you when you are coming close to reaching your budget limit. Events should not exceed two hours in duration.
- A steward who organizes an event can determine the nature of the event. Last year, some stewards organized a lunch while some stewards thought it best to gather in the evening.
- Do what you think will meet the needs of the members within your department.
- If individual stewards agree to do so, then Stewards can group their events together.
- taxes and gratuities
  - again these will automatically be included in your tab but they come out of your total budget.

How to book an event:

1) Your Chief Steward will give you a contact list of all the members in your department
2) Figure out what time works for the members within the department you represent.
3) Email Marc Lalonde at the Grad Club and make a reservation for X people from ________ department and for what day and time. Also let him know how many of the food packages you would like to purchase. Each package provides snacks for 5 people.

   Basic Food Order - $40 (1 Nacho, 2 crudite/veggies and dip, and 3 party platter)

   For example, if there are 25 members in your department you would order 5 x Food Order 2 (@$40) = $200. Please note, it may better for small departments to host lunches instead.

4) After booking the event, promote the event to members within your department, and have a fun and responsible time
5) Afterwards, please email your steward with a brief summary of how the event went – what issues were discussed.
Appendix C

Labour Library Policy
Proposed by the Progressive Librarian’s Guild

Mission Statement
The Labour Library of the PSAC Local 610 aims to strengthen the availability of labour-related information for members of collective bargaining units employed by the University of Western Ontario.

Location
The labour library shall be located in the Local’s office. Its contents shall be made available to all members of our Local and, upon invitation, to all members of collective bargaining units employed by the University of Western Ontario, during regular office hours.

Oversight
Oversight of the library shall fall within the purview of the Communications Chair, in consultation with the Executive Committee and the Communications Committee.

Acquisition
Materials for the library shall be obtained through a combination of donations, gifts, and purchase. Purchases made for the library by the Local shall be adjusted against the budgetary line item for education and training, or, when applicable, any surplus monies in committee budgets (as dedicated by that committee). Wherever possible, purchases shall be made from independent booksellers and/or companies whose business practices are consistent with Union values.

Collection Development Policy
In developing a collection of materials, the Labour Library is guided by the Library Bill of Rights. Collection development is dependent on donations and gifts to the library, as well as funding from the PSAC Local 610. The collection is maintained in cooperation between the PSAC Local 610 and the Progressive Librarians Guild London Chapter.

Any donations, title suggestions, or complaints about a specific item within the collection should be directed towards the Communications Chair of PSAC Local 610. Materials available at Western Libraries are considered out of the scope of the Labour Library’s collection unless an item is shown to be in high demand by visiting patrons or is donated (so long as it satisfies the selection criteria).

Selection Criteria
Materials considered for collection fall into one of the subject profiles listed below. All formats will be considered for collection, with the primary focus being on English materials with a Canadian perspective.

Subject Profiles

Labour history
The subject area of Labour History is defined as material that examines the histories, politics, and culture of working people, including labour-specific social movements. Collection of materials will be limited to those published within the last 15 years.

Labour Law
The subject area of Labour Law is defined as material that focuses on the body of laws surrounding the legal rights of workers, union members, and employers. Collection of materials will be limited to current editions published within the last five years.

Labour Unions
The subject area of Labour Unions is focused on materials that cover the organization of wage earners, as well as their activities (such as protection of wages and working conditions). Materials that focus on the activities of labour unions that occurred prior to 2000 will be collected within the subject of Labour History as labour-specific social movements. An emphasis will be placed on materials related to collective bargaining and published within the last ten years.

Neoliberalism
The subject area of Neoliberalism is defined as material pertaining to the political philosophy that encourages the shift of economic matters from the public sector to the private sector with an emphasis on free trade, privatization, and deregulation. Particular emphasis will be placed on the increasing influence of neoliberalist policies on the post-secondary educational system. Collection of materials will be limited to those published within the last 15 years.

Radical Politics
The subject area of Radical Politics is defined as materials that challenge the political consensus and provide alternative viewpoints on both theoretical approaches and social structures. Particular emphasis will be placed on materials of a Marxist perspective. Material of a more theoretical perspective will be collected when published within the last 20 years, all other materials collected will be limited to those published within the last ten years.

De-selection Criteria
An item will be removed from the library’s collection when it has become overly worn or has been superseded by a newer or more relevant item.

Organization
Library items shall be catalogued according to a sign-out card system. Each item shall be recorded in an Excel worksheet identifying the item by title, author, and publication date. This information shall also be recorded on a card affixed to the interior front cover of the item. When the item is signed out from the library, the patron shall identify themselves by student number (or if a member of another bargaining unit, by that affiliation and with appropriate contact information) and printed name on the first two leftmost columns marked on the card. The due date for the item shall be recorded on the rightmost column. This information shall also be recorded in the Excel worksheet.

Circulation Policy
No fine shall be assessed for late items. However, any outstanding item shall designate a member as not currently in good standing, which will affect that member’s eligibility for benefits within the Local. For non-members, a small deposit may be required to check books out of the library.

Library Bill of Rights
(Available at: http://www.ala.org/advocacy/intfreedom/librarybill)
The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries that make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

Extended Health Plan Policy

D. Gault, EHP Administrator

1 Preamble

i. The purpose of the Extended Health Plan (the EHP) is to supplement the health care plan or plans of our Teaching Assistant members.

ii. The majority of our members have coverage through The Ontario Health Insurance Plan (OHIP) or The University Health Insurance Plan (UHIP) along with coverage through an insurance plan provided through The Society of Graduate Students (SOGS).

iii. This plan is not intended to replace other health care plans; it merely supplements these plans. For example, a member cannot use this plan to opt out of an otherwise mandatory insurance plan (such as the plans usually offered by SOGS) on the basis that the EHP offers comparable coverage, unless that insurance plan was similarly limited in scope.

iv. In order to meet the goal of supplementing existing insurance plans, the EHP provides coverage for a wide variety of optical, dental, and other medical expenses.

v. The EHP operates on a reimbursement or partial reimbursement system whereby an eligible member will pay for an expense and file a claim or claims with their primary insurer or insurers and submit a claim to the EHP for the amount of their expense remaining after the expenses are addressed by their primary insurer or insurers.

vi. Eligible members will be assigned a balance for each academic year upon which they can draw; this balance, along with the policies of the EHP, determines whether a claimant will be reimbursed, partially reimbursed, or not reimbursed for a claim.

2 Eligibility

2.1 Eligible Members

i. All members in good standing who have or have been promised Teaching Assistant positions during an academic year are eligible to be assigned a balance for that policy year and draw upon that balance through the EHP.

ii. All staff members who have worked or have been promised work for the Local during an academic year are eligible to be assigned a balance for that academic year and draw upon that balance through the EHP.
iii. All Local executive who have held an office and worked in that office for the Local during an academic year are eligible to be assigned a balance for that policy year and draw upon that balance through the EHP.

2.2 Family

i. Family members of an eligible member who are not otherwise eligible for the EHP are not eligible to be assigned a balance and draw upon that balance through the EHP.

ii. Eligible members may claim the expenses of their family members as if these expenses were their own, subject to the restrictions outlined elsewhere in this policy.

2.3 Balance

i. The balance available for each member shall be decided by the budgeting process of the Local.

3 Policy Year

i. A year of the policy corresponds to an “academic year” that begins on September 1st of one year and ends on August 31st of the following year.

ii. Eligible members may only file claims for expenses incurred during the policy year for which they are eligible and their claims will be compared against their balance for that policy year.

iii. Eligible members may file claims for expenses incurred during a policy year for which they are eligible after that year has ended. However, claims filed more than one month after the end of the policy year in which they were incurred may be reimbursed or partially reimbursed at the discretion of the Local.

iv. A given policy year may be referred to by the year of the September in which the policy year began. For example, the policy year that began on September 1st, 2012 may be referred to as, “policy year 2012.”

v. The Local will make reasonable attempts to allow eligible members to apply for expenses incurred in a policy year after that policy year has ended.

vi. Notwithstanding the above, it is within the discretion of the Local and its agents to stop reimbursing the claims of eligible members from a given policy year that are filed after the 1st day of business of the October following that policy year.

4 Reimbursement
4.1 Definitions

i. Those expenses that the EHP covers are those expenses for which the EHP will reimburse or partially reimburse eligible members as determined by their balance.

iii. In this policy, “to cover” is used to mean, “to reimburse in full or in part.”

4.2 Copayments and Coinsurance Associated with Another Insurer

i. The EHP will reimburse those expenses that are normally addressed by an eligible member’s primary insurer but for which there remain costs to the member either because the insurer does not regularly provide complete payment for these expenses or the insurer has a maximum on the amount for which it will provide payment for these expenses. Accordingly, for a given member, the EHP will recognize as legitimate all those expenses that member incurs that are covered by any other insurance plan in which that member participates.

ii. Expenses that family members of an eligible member incurs as described in this subsection may be claimed by that member as if those expenses and the insurance plan were the expenses and insurance plan of the member.

4.3 Medical Expenses

i. The EHP will cover the expenses of items and services that a registered medical professional prescribes or recommends in writing to an eligible member.

ii. Members applying to the EHP are expected to be able to produce documentation verifying that they have a prescription or recommendation relevant to their expense.

Disbursement Policy for Scholarships
PSAC Local 610 awards multiple scholarships once a year to members who demonstrate excellence in the areas of community involvement, academic achievement, and outstanding contributions to research.

The committee will endeavor to distribute scholarships equitably between members at the Masters and Doctoral level of study, and across the four academic divisions of Arts and Humanities, Biological Sciences, Physical Sciences, and Social Sciences. In the event that there is no suitable candidate for a particular award, the committee reserves the right to use the available scholarship funds to make an additional award in another category.

All committee decisions are final and are not subject to appeal, except on the grounds that a conflict of interest can be shown to have occurred.

The scholarships are:

**Academic Achievement Scholarship** – These are awarded once a year to members in good standing of PSAC Local 610 at Western. There are 16 scholarships available: four for each academic division. The scholarships, worth $500 each, are typically awarded to eight Masters and eight Doctoral students on the basis of academic achievement and research excellence.

**Scholarship for Outstanding Research Contributions** – These are awarded once a year to up to four members in good standing of PSAC Local 610 at Western who have demonstrated outstanding contributions to research in their respective fields. The awards, worth $400 each, will typically be divided equally between students at the Masters level and Doctoral level whose achievements may include, but are not limited to, peer-reviewed publications, conference presentations, and workshops.

**Union Scholarship for Community Involvement** – These are awarded once a year to up to four individuals who are members in good standing of the Local. Applicants should illustrate a high level of involvement with organizations that contribute productively to the community (internal or external to UWO). Volunteer experience unrelated to the candidate’s research with not-for-profit organizations in the community will be weighted more heavily for this scholarship. The awards are of $400 each and will typically be divided equally between members at the Masters and Doctoral levels.

**Conflict of Interest and Obligation to Report**

Though all applications are anonymized by the Local’s office manager prior to the committee’s adjudication of scholarships, occasionally committee members may recognize an application as belonging to a partner, friend, or family member. In such an event, the committee member must declare to the committee chair that there is a conflict of interest and recuse him- or herself from the decision-making process for that scholarship.

Non-executive members of the Scholarships Committee are not barred from applying for a scholarship themselves, however they must recuse themselves from all committee discussions and decisions involving the award to which they have applied.
Committee members need not provide any identifying details about the nature of their relationship to the scholarship applicant (whether partner, friend, family member or self), simply that the conflict of interest exists.

Failure to declare a conflict of interest will result in disqualification after the fact and any award will be rescinded.

Members of the Executive Committee are not eligible to apply for a scholarship during their term of office.

**Duty to Accommodate**

PSAC Local 610 is dedicated to upholding the finding of the Canadian Human Rights Tribunal and the Federal Court of Canada ruling that workers must receive accommodation for their childcare needs.

Committee members needing childcare during hours spent performing committee work will be provided with a subsidy to offset the cost of accessing quality childcare.

Political Action and Social Justice Committee Terms of Reference

Name

The name of the Committee is the Political Action/Social Justice Committee.

Mandate

The work of the Political Action/Social Justice Committee addresses concerns in three contexts: the University of Western Ontario, Canada, and internationally. Because the university, provincial government, and federal government create policies and/or pass laws that have a direct impact on workers' lives, the Political Action/Social Justice Committee educates members about how these policies or laws affect them and works together to influence university officials and politicians. The Committee may also work with other progressive groups and coalitions to promote alternative policies which benefit workers, their families and communities; and the Committee may engage in solidarity-building acts with other labour communities, domestically or internationally, or with other progressive political groups.

Membership

The Committee shall be composed of the chair, a secretary-treasurer, and other members in accordance with the PSAC Union Bylaws. Some experience with developing and editing media would be an asset.

The chair shall be selected from the Committee’s members at the first meeting and shall be responsible for calling meetings and preparing meeting agendas. The secretary-treasurer shall be responsible for taking minutes of the meetings and circulating them to Committee members, and for working with the secretary-treasurer to maintain the Committee’s budget.

The committee follows the guidelines for standing committees stipulated in the union’s bylaws.

Financial Assistance Committee Terms of Reference

Name

The Financial Assistance Committee

Term of the Committee

Applications for financial assistance will be accepted throughout the year to be adjudicated by the committee during regular (monthly) meetings starting in June and ending in May. The applications are accepted throughout the year; however, application periods are divided by each calendar month (1st to 31st), and members can only apply once per term. The committee will adjudicate applications on the second full week of each month.

Budgetary Details

The terms of the Collective Agreement provide for the social welfare programming of the Local; these monies are known as “The Financial Aid Fund.” The employer provides this funding. The total amount available for the Financial Assistance Committee to distribute per year is as follows: $34,500 for medical/personal and $11,500 for academic/childcare.

The Financial Assistance Committee is encouraged to review disbursement criteria to compare demand upon the fund to the available funds within the account. The committee may increase benefit amounts and/or create new programming to meet the needs of the members, if and only if funds are available. The purpose of the Financial Aid Fund is to provide the greatest benefit to members in the greatest amount of need.

Members

1. Chairperson: the Administration and Internal Communications Chair, or a designate elected by the Committee.
2. Maximum of 8 members, but the committee can vote to increase to the membership cap.
3. Members will be selected and elected by the Executive Committee after a call-out has been sent to the membership.
4. Committee members shall meet several times and coordinate efforts to choose the recipients of financial aid.
5. Meetings will be held at the PSAC Local 610 Union Office, Somerville House Room 1313.
6. Members will receive an honorarium for their contribution.

How to Apply

Members should contact the Administration and Internal Communications Chair at administration@psac610.ca and cc psac610@psac610.ca to express interest in joining the Committee. The Executive Committee will consider all members who express interest.
Meetings

Meeting Duration and Location
Meetings will be held at the PSAC Local 610 Union Office, Somerville House Room 1313. Meetings shall be held monthly and scheduled for two (2) hours, although they may take less time.

Attendance
Physical attendance at meetings is required, with the exception of remote participation where the Chair deems it appropriate. To maintain membership on the Committee, members shall be physically absent for no more than two meetings per academic year, except under extenuating circumstances (e.g., illness, research travel, bereavement).

Non-disclosure Policy
Members of the committee shall hold confidential all the information related to applications, circulating at the meetings of the committee. This information related to the applications is not to be disclosed or shared with a third party without the written permission of the applicants.

Deliverables
The Committee shall communicate its decisions to the PSAC Local 610 Office Manager.

Disbursement Policy for the Financial Assistance Committee

The Financial Assistance Fund exists to provide assistance to members who experience unexpected financial need. TAs who have held a teaching assistantship for at least one term in an academic year are eligible. This fund is structured as a series of streams to meet the unexpected needs of members who have exceptional demands upon their finances. This policy exists to define such needs, and how the Committee is authorized to respond to and assist applicants.

The Committee recognizes the issues of student poverty within PSAC Local 610. Unfortunately, the Committee must also fund applications according to preferential criteria and cannot offer funding to all applicants. The Committee gives priority to unexpected and unavoidable expenses; therefore, expenses cannot arise from a chronic need. While the Financial Assistance Committee cannot offer funding for general expenses, such as food or groceries, the Local does offer assistance through the Food Support and Resources program. Members are encouraged to apply to this program, should they feel the need to.

Although we offer limited funding for some academic expenses, the Committee cannot act as a substitute for departmental or external funding, nor can we fund tuition or any other academic fee.

To apply, fill out the application form. You will need to attach ALL receipts for expenses already incurred. You will also need to have signed your union card (the blue card). Applicants must be members of the Local at the time of the expense.

Applications are considered throughout the year. Please allow time for a response from the Committee. The committee aims to respond to all applications within one month. Applicants will be notified of decisions by email, and if your application has been successful, you can pick up your cheque at the Local’s office.
The Financial Aid Fund is limited and, unfortunately, not all applications can be approved. You may receive a bursary that was not the full amount of your request. These circumstances are based on several factors: need, available funds, and number of applicants. If your application was declined and you want to know why, please contact the Administration and Internal Communications Chair (administration@psac610.ca). Be advised that in contacting the Committee about your application, you will have self-identified, that is to say, your application is no longer anonymous.

The application process assures your confidentiality:

1. Each applicant is assigned an ID number.
2. Applications are reviewed without any identifying information.
3. Committee members must sign a Non-Disclosure Agreement before adjudicating applications.
4. Applications are kept on file for future use in characterizing members' needs for future rounds of negotiations.

Applications must be filled out in full to receive consideration. The Committee will verify the receipts appended to the application. Only documented expenses for which receipts are included shall be considered. Please include original receipts, or photocopies of original receipts, not bank statements.

While the Committee has the authority to fund or deny any application, the following criteria express the Committee’s preferences.

Unlikely to be funded:
- Pet care expenses
- Passport fees, Visa applications or permanent residency fees
- Vehicle maintenance expenses (repairs, tires, etc.)
- UHIP expenses
- Textbook purchases, tuition fees
- Technology purchases, unless these can be explicitly justified
- Conference fees or membership fees
- And any other expense that does not qualify as “unexpected need”

Exceptions in the above cases, while extremely unlikely, are possible, at the Financial Assistance Committee’s discretion based upon the applicant’s justification.

Support for personal and medical emergencies can only be received once per term, up to a cumulative amount of $500, regardless of when the expense was incurred. The terms divide into Summer (June–August), Fall (September–December) and Winter (January–April), and here refer to the time the committee adjudicates the application, not the date of the expense itself. Support for childcare expenses can only be received once in an academic year (September–August), up to a cumulative amount of $500. Support for academic expenses can only be received once in an academic year (September - August), up to a cumulative amount of $300.

Should an applicant’s claim exceed the allotted $500 within a single term, the applicant may reapply in the next term for the remainder of the same expense. However, new claims from previously unfunded applicants take precedence. Please note as well that applicants may not receive funding for the same expense more than three times. In addition, the committee cannot consider expenses for which the receipts are more than 12 months old. Applicants who have received the maximum disbursement in a term are not eligible to apply again to the FAC within the same term.
The following types of expenses can be funded, with appropriate justification:

- **1) Medical Emergencies (maximum $500 per term)**
  - These include emergency medical or dental bills, including bills incurred outside Canada
  - Please ensure you have applied for and exhausted your eligible SOGS health plan and EHP benefits
  - You may claim for a dependent, such as a child, spouse or parent

- **2) Personal Emergencies (maximum $500 per term)**
  - Examples include but are not limited to:
    - Bereavement travel expenses
    - Financial difficulties related to separating from a spouse or partner
    - Loss of property due to an unforeseen catastrophe: house fire, flood, etc.
  - Please ensure you include receipts and a rationale for a brief description of the nature of the emergency
  - The Committee keeps all such private and personal information confidential

- **3) Academic/Conference Travel (maximum $300 per academic year)**
  - Please demonstrate proof that you have applied to your department and SOGS for travel funding prior to applying to the FAC
  - Please enclose records of your participation at the conference (e.g. approved abstract, photocopy of conference program, etc.) and receipts
  - The Committee will only consider applications in which the applicant was an approved participant in the academic conference (e.g. as a presenter of a paper or poster, a responder, a panel chair or organizer, etc.)
  - The Committee will not fund conference or membership fees
  - The Committee will not fund food expenses

- **4) Child Care Subsidy (maximum $500 per academic year)**
The Financial Assistance Committee is pleased to offer a subsidy to help members of PSAC Local 610 offset the considerable cost burden of accessing quality child care while they complete their work as teaching assistants. We recognize that as well as balancing their duties as workers, researchers, and students, members who are parents must manage additional financial and personal responsibilities. This subsidy is offered as part of a pilot program that seeks to address child care as a serious member need, and also to gather vital data on how our membership is affected by the cost of child care in Ontario.
  - The Committee and PSAC Local 610 may use non-identifying information from applications, such as the financial cost of child care, etc., in order to gather data about how our membership is affected by this issue.
  - Please enclose the appropriate documentation and receipts with your application.
  - Members are also encouraged to apply to SOGS Child Care Subsidy.
  - Only receipts from licensed childcare providers and programs will be considered for the subsidy. For a list of licensed child care providers, go to [http://www.iaccess.gov.on.ca/LCCWWeb/childcare/search.xhtml](http://www.iaccess.gov.on.ca/LCCWWeb/childcare/search.xhtml)

Members are encouraged to contact the Administration and Internal Communications Chair (administration@psac610.ca) should they have questions about the Financial Assistance funding process.

Appendix M

Mobilization Committee

Terms of Reference

Article 1 - Name of the MC

The official name of the MC is “Bargaining Mobilization Committee,” hereafter referred to as the MC.

Article 2 - MC Mandate

TA unions have faced increasingly hostile employers during collective bargaining or in on-going labour relations (e.g., CUPE 3902 at the University of Toronto and CUPE 4600 at Carleton University). It is imperative to our bargaining process that we have structures in place to call upon during bargaining so that the membership stays informed and in the event that collective bargaining stalemates.

The MC will assist the Bargaining Team in communicating bargaining updates to the general membership and mobilizing the membership on bargaining issues. In the event that a tentative agreement cannot be reached, the MC will coordinate strike/lock-out activities.

Please see section 3.2.6 of the Bylaws for more information on ad hoc committee structure, including membership selection.

Article 3 - Membership

The MC is open to all members in good standing. The position of MC Chair shall be filled on a per-meeting basis.

The Chair shall be chosen by a simple majority vote at the beginning of each meeting. The MC shall endeavour to give all of its members equal opportunity to participate as Chair and ensure equal access to the role along lines of departmental affiliation, gender identification, and other salient divisions.

Article 4 - Finances

The MC autonomously administers an operating budget provided by PSAC Local 610’s Executive Council. The MC shall approve motions relating to expenses at the Committee level in the course of meetings without recourse to the Executive Council. The MC shall, however, endeavour to maintain accurate records of its expenses and relay this information to the Executive on a regular basis. Expenses that require more funding than the MC budget allows may be put forward as a motion to the Executive Council for approval. Motions relating to expenses must be sent to the Executive Council a minimum of two business days prior to its next scheduled meeting.

Article 5 - Meetings

During collective bargaining, meetings will be scheduled regularly corresponding to the Bargaining Team’s negotiation schedule. These meetings will generally last no more than two hours. In the event that collective bargaining fails, meetings may increase in frequency and duration.

Article 6 - Practices and Procedures
The MC will conduct itself as a direct democratic decision-making body.

Meetings shall be moderated by the chosen Chair (see Article 3). Motions brought forward in MC meetings are put to a vote and will pass or fail on the basis of a simple majority (50% + 1 of those in attendance). No quorum will be enforced for MC meetings at this time.

When debating motions:

1. Speak only when recognized by the Chair. Raise your hand to be added by the Chair to the speakers list.
2. The MC acknowledges the historical denial of speaking rights to certain groups. The Chair shall act to balance speaking rights to ensure equal participation by all members of the committee when it seems that equality and fairness may be obstructed due to the distribution among speakers for a motion and against, along lines of departmental affiliation, or other salient divisions.
3. Be concise, and address your comments to the topic at hand. Whenever possible, limit your comments to constructive criticism and suggestion. Speak using language accessible to the membership of the MC.

Article 7 - Agency

The MC is not an agent of PSAC Local 610’s Bargaining Team and maintains autonomy with respect to the style and reach of its mobilizing efforts. The MC will, however, work with the Bargaining Team to relay accurate and transparent information about collective bargaining to the union membership.

Article 8 - Amendments

Amendments to the MC Constitution may be brought forward as a “motion to amend” in the course of MC meetings. Motions to amend the MC Constitution are subject to the same governance model and voting policy established in Article 6 of this document.
A PSAC, Regional Council, Component, Local, Area Council officer or member, is guilty of an offense against this Constitution who:
