- 9.03** In the event that any person represented by a trade union, and employed by the Employer, other than those represented by this Union, is engaged in a legal strike or is legally locked out, Employees of this bargaining unit will

have the right to decline to perform the normal duties of the striking or locked-out Employees. The Employer will ensure that all Faculty Supervisors are informed that Employees of the bargaining unit shall have the right to decline to perform these duties.

ARTICLE 10 - JOINT LABOUR-MANAGEMENT COMMITTEE

- 10.01** The Union and the Employer acknowledge the mutual benefits to be derived from joint consultation and approve the establishment of a Joint Labour-Management Committee (the "Committee") consisting of up to three (3) representatives from each party.

- 12.02** Except in the above such circumstances, the Employer agrees that Postdoctoral Associate positions shall be posted for a period of not less than ten (10) days, and no offer of appointment shall be made until after the posting has closed. This requirement to post shall not limit the Faculty Supervisors ability to hire under Article 12.01.

The letter of appointment, once signed and returned by the Employee, shall constitute acknowledgement and agreement with the terms of appointment.
- 12.07** The Employer shall provide Employees with notice of extension in writing at least thirty (30) calendar days prior to completion of the stated term date of the Employee's current appointment.
- 12.08** If an employee secures a new appointment with the same Faculty Supervisor and if the duties and responsibilities of the appointment are substantially similar to the previous appointment, the following shall apply:

- (a) the probationary period for the appointment shall be deemed to have been fulfilled; and

The Employee and/or their Faculty Supervisor can request a meeting at anytime to review the research expectations and the professional development goals.

ARTICLE 13 – PROBATIONARY PERIOD

13.01 An Employee shall be considered to be on probation for the first four (4) full months of active employment.

13.02 The probationary period is intended to be a period of time for the Faculty Supervisor to evaluate the Employee's skills and abilities and to provide the Employee with feedback regarding his or her performance.

13.03 The Employer may directly discharge a Probationary Employee without using the progressive discipline process outlined in Article 16. The Employee shall have the right to

union representation at a discharge meeting if he or she so chooses. The dismissal of a Probationary Employee shall only be the subject of a grievance if such dismissal is exercised in a manner that is arbitrary, discriminatory or in bad faith.

13.04 Reasons for the dismissal of a Probationary Employee shall be in writing, with a copy to the union, and such Employee shall be provided with at least one week's notice or pay in lieu of notice.

ARTICLE 14 – HOURS OF WORK AND OVERTIME

14.01 The parties recognize that Employees are primarily involved in research and scholarship. As such, there must be some flexibility with respect to the hours of work to allow for the specific needs of that research and scholarship. The parties recognize that this arrangement is mutually beneficial for both Employees and the Employer.

14.02 Workweek Averaging and Overtime

- (a) The normal hours of work shall be forty (40) hours per week, recognizing that the needs of an Employee's research and the needs of the Faculty Supervisor's research program may require flexibility in the performance of these hours.
- (b) Employees shall not work more than 50 hours in any one work week, except in exceptional circumstances and as agreed by the Employee.
- (c) No Employee shall work more than 173 hours in any pay period without advance written approval from his/her Faculty Supervisor.

- (e) An Employee may request compensatory time off at the applicable overtime rate, rather than a cash payment, and such request shall not be unreasonably denied. Compensatory time off shall be taken at a time mutually agreeable to the Employee and his or her Faculty Supervisor.

14.03 If a Faculty Supervisor and Employee agree that the Employee will attend a conference, seminar or workshop, the Employee will be credited with an eight (8) hour work day for each day of such event.

14.04 Where conference, seminar or workshop attendance is undertaken at the Employee's request or on a voluntary basis, the Employee and the Faculty Supervisor may make mutually acceptable arrangements deeming such hours to be hours of work, vacation, leave of absence or compensatory time off.

ARTICLE 15 – EVALUATIONS AND EMPLOYEE RELATIONS

15.01 The Parties agree that the purposes of evaluation are to assess the performance of Employees and to assist Employees in improving the quality of their research skills and performance.

15.02 An evaluation may be proposed by the Employee or by the Faculty Supervisor.

- 15.03** The results of any evaluation conducted by the Employer shall be shared with the Employee, and if the Employee so desires, he or she may share the results with his or her Union Representative.

ARTICLE 16 – DISCIPLINE AND DISCHARGE

- 16.01** The Employer shall not discipline, suspend or discharge an Employee without just and sufficient cause.
- 16.02** The Employer recognizes the principle of progressive discipline by adopting the procedures set forth in this Article.
- 16.03** The Employer recognizes that an oral reprimand or a written warning should precede suspension or discharge, except in the case of gross neglect of duty, position abandonment, or gross misconduct, and that an Employee shall be given a set and reasonable time period in which to demonstrate the required sustained improvement in the area of concern.
- 16.04** Discipline, where warranted, shall only be imposed at a meeting with the Faculty Supervisor or a person designated by the Employer convened for this purpose. Employees shall be given seventy-two (72) hours notice of any disciplinary meeting or any meeting addressing an

allegation. Such notice shall be in writing, shall contain the allegations giving rise to the meeting, and shall advise Employees that they are entitled to be accompanied at this meeting by a Union Representative. Employees are entitled to be heard at such meeting, and shall be entitled to append comments to any disciplinary letter.

- 16.05** A copy of any disciplinary letter shall be provided by the Faculty Supervisor to the Union within three (3) days of such a meeting.

Personnel Files

- 16.06** Employees shall have the right to review their employment file once per year by submitting such request in writing to Human Resource Services. An appointment to review the file will be arranged within five (5) working days of receipt of such request. The Employee may be accompanied by a Union Representative if he or she so wishes.
- 16.07** Upon request, a representative of the Union shall have the right to examine the personnel file of an Employee in the latter's absence, if such representative has the necessary form from Human Resources Services with an original signature of the Employee.
- 16.08** Records of discipline shall be removed from an Employee's file twelve (12) months from the date of such discipline, provided that no further discipline has been recorded within that period; or shall be removed at the end of their employment, whichever is earlier.

ARTICLE 17 – SAFE DISCLOSURE

- 17.01** In support of the University's commitment to accountability and ethical conduct, the University depends on its members to report apparent breaches of ethical conduct in order that they may be investigated and corrective action taken.

17.02 In accordance with the University's Safe Disclosure Policy 1.43, there will be no retaliation against Employees who, in good faith, report illegal or unethical behavior, or provide assistance or information in relation to the investigation of an allegation.

ARTICLE 18 – GRIEVANCE PROCEDURE

18.01 It is mutually agreed by the parties that it is the spirit and intent of this Article to address disputes promptly.

18.02 The parties acknowledge that early discussions and resolution of disputes at the first level are encouraged as this is the key to maintaining a positive working relationship. Similarly, the parties recognize the need to share information and openly discuss options for resolution at all levels of the Grievance Procedure. This will ensure a common understanding of all of the facts, and will enhance the possibility of a mutually acceptable resolution.

18.03 For the purpose of this Agreement, a grievance shall be defined as an alleged violation of the interpretation, application, and administration of the specific terms of this Collective Agreement.

18.04 The Employer acknowledges the right and duties of the representatives of the Union to assist Employees in preparing and presenting grievances, and the Employee shall be entitled to be present at every step of the Grievance Procedure.

18.05 The Employee and a representative who accompanies this Employee under this Article will not suffer a loss of pay as a result of attendance at meetings between the Employer and the Employee as provided for under this Article. Both the Employee and the representative will provide as much advance notice as possible to their Faculty Supervisors of

any such meetings that conflict with their Employee responsibilities.

- 18.06** No Employee shall be disciplined for exercising his or her right to present a grievance as provided in this Collective Agreement or for exercising his or her rights under the Ontario *Labour Relations Act*.
- 18.07** After a grievance has been filed, no negotiation of this grievance shall take place outside of the Grievance Procedure.
- 18.08** No grievance shall be defeated or denied by any technical objection occasioned by a clerical or typographical error.
- 18.09** The Employer and the Union agree not to introduce after Step 1 of the Grievance Procedure, or at arbitration, any new documentation involving disciplinary action, unless cleared by the Arbitrator who shall decide if the material is admissible.
- 18.10** Where no answer is given within the time limits specified in the Grievance Procedure, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure.
- 18.11** The time limits in this Grievance Procedure may be extended by mutual consent of the parties.
- 18.12** If the Union notifies the Employer in writing of an alleged violation of the Collective Agreement but indicates a decision not to grieve, this decision shall be without prejudice to grievances on similar matters. Furthermore, the withdrawal of a grievance at any step shall be without prejudice to grievances on similar matters if the Employer receives written notification of this decision from the Union.
- 18.13 Informal Discussion**

Before a grievance is filed, and whenever it is possible, the person designated by the Faculty where the Employee works shall be given the opportunity to resolve the matter in accordance with the following:

- (a) The Employee, accompanied and represented by a representative of the Union, if he or she wishes, shall discuss the matter with the person designated by the Faculty where the Employee works. The matter shall be brought to the attention of the person designated by the Faculty within twenty-one (21) days after its occurrence, or from the date the Employee ought reasonably to have been aware of the occurrence of the circumstance giving rise to the matter.
