## **Report from the President**

Dear members, friends, allies, and colleagues,

I am very grateful to stand in front of all of you as the President of our Local. As the academic year comes to an end, I have heard, seen and experienced the many concerns causing stress to our members. We cannot forget that a Union is made strong by, precisely, its members. In other words, we have to remain united – divergences of opinion are in fact the basis of academia. We have to work together, and diversity, a key word despite the stress we all face, has become alive as we proceed in bargaining with an employer that does not always listen to its employees.

There are two bargaining processes currently going on. First, the Postdocs Associates and Fellows. The university at the last round of negotiations failed to hear your concerns and filed for conciliation. This entails a long process in which we have to demonstrate with much strength that we are willing to stand for what matters to us. And, the Graduate Teaching Assistants' collective agreement expires on August 31 of this year. It's certainly impressive the response rate that we have received through our online membership survey! Yes, the winners will be announced today.

But before announcing the winners from the survey, let me touch on one very important aspect: victories. We have brought cases of funding cuts to the attention of the university and been able to solve them. We have used our leverage to defend graduate students and postdocs. We have raised a significant amount of money for the Thesis Completion Fund. We have doubled the rate for the membership survey. We have welcomed postdoc fellows into our Union. This has been a year of victories, and that would have been impossible without your support and solidarity.

As I stand in front of you, I am very proud of our Local. All the work from the committees, the emails and conversations, the rank and file, the meetings, the conferences, and, last but not least, the excitement of moving forward and standing together. This year we celebrated our 20th anniversary. May more years come full of victories and diversity!

And the winners are ... (okay, I'm sending this report two weeks in advance but now you know when in my speech this will happen).

In solidarity,

Jaime R. Brenes Reyes

## **Report from the Administration and Internal Communications Chair**

Dear friends and allies,

It has been an honour to serve you as Administration and Internal Communications Chair this year. Thank you all for the work you have done as stewards, and I hope that you will continue to be involved with the Local in the coming year.

As you know, I perform a wide variety of roles within the Local as Administration and Internal Communications Chair. I take minutes at meetings, I negotiate contracts and sign cheques, I attend meetings of the Labour/Management Committee with our President, I keep our files organized and up to date, I attend SOGS council meetings as the Local's principal designate, and I work with our two reliable and dedicated staff members to effect the day-to-day operations of the office.

Of the various roles I have taken on this year, one of my greatest joys has been working with the three committees that fall under my portfolio: Financial Assistance, Food Support and Resources, and Bylaws. The Financial Assistance and Food Support and Resources Committees have worked tirelessly throughout the year to administer our benefit programs because they care about the wellbeing of our members. The Bylaws Committee met this winter to review the Local's Bylaws and Policies, and drafted the revisions to the Bylaws that I will present to you at the meeting. The committee worked not only to effect the changes that need to be made in the coming year, but also to think in the longer term about the future of the Local.

I believe that PSAC Local 610 is at a crossroads. As we approach the end of our current Collective Agreement, discussions are ongoing about our budget, our priorities, and our values. I do not know what my colleagues will tell you in their reports about our financial situation, our staff, or our responsibility to the membership. I can only urge you to remember that there are complex issues to be addressed and important decisions to be made in the coming year. That is why I encourage you to run for executive positions, join committees, or simply stay on as stewards next year. You are all esteemed members of your Local, and when we stand together, we are strong.

Thank you all for putting your faith in me this year, and I look forward to continuing to serve you next year in my new role as SOGS President. Always remember that there is power in our union.

In peace, love, and solidarity,

Mary Blake Bonn  
Administration and Internal Communications Chair  
PSAC Local 610

## **Report from the Finance Chair**

Dear members,

Thanks a lot for taking time out of your very busy schedule to attend this meeting. My duty as the Finance Chair of your PSAC Local 610 is to keep track of our financial transactions. That includes our everyday banking, budget making, and tax related issues.

We formed a finance committee to prepare the budget for the fiscal year 2017-2018. The finance committee has prepared a draft budget for 2017-2018. The budget has three main sections, General Budget, Financial Aid Fund Budget, and Health Fund Budget. I have attached the draft budget with my report. Please, let me know if you have any recommendations or questions regarding the budget.

I would also like to highlight a few key points about this draft budget. We have made few changes in the general budget. According to the recommendation of the Bylaws Committee, the local will have an elected speaker for its regular meetings. We have increased the amount of general donation and reduced the strike support donation.

We did not make any major change in the health fund budget.

We have an increase in our Financial Aid Fund budget. Based on the recommendation and discussion of the finance committee members, there will be significant increase in UHIP disbursement and TA assistance program.

Finally, I would like to thank all members of the finance committee for their valuable time.

Regards,  
Md. Imran Khan  
Finance Chair

## **Report from the Chief Steward of Arts and Humanities**

It has been a busy year in the Arts and Humanities. In this division we had more than a few situations arise in which myself, the stewards, and the president were involved. Most of the situations brought to my attention concerned TA/supervisor relations. None of these proceeded as far as a formal grievance.

I would like to take time here to elaborate on the biggest situation, which occurred in FIMS, where it was found that the department was planning to directly violate the Collective Agreement by substantially decreasing WGRS funding (to the tune of \$3000+) in response to last bargaining session's pay increase and tuition. They also attempted to offload ancillary fees to the incoming PhD students after promising them full scholarships.

This was revealed to me in a series of emails with the department. We gathered a large group of union representatives and concerned students in the department and met with SGPS, who were very supportive. After a long process, the situation is now resolved. This was a great success, but we have heard of similar things happening in other faculties. Please be aware of what is happening in your department.

In other news, as I step down as Chief Steward I will be stepping up to the role of head organizer for the upcoming CGEU (Coalition of Graduate Employee Unions) 2017 Conference which we are hosting August 11-13 this year. This is a gathering of graduate student workers from across North America. It will be a big event with 3 days of talks, food and drinks. The website is here: <https://cgeu2017.wixsite.com/cgeu2017>

Registration is open, so spread the word and consider presenting on a topic of interest to graduate workers. Alternatively, get in touch with me if you're interested in helping with planning (whether it be the social events or organizing the speakers)!

## **Report from the Chief Steward of Physical Sciences**

Dear colleagues:

As the Chief Steward, I was invited to the departmental orientations in the Physical Sciences Division and I attended most of them. I presented the information to the new members during those orientations and I felt really encouraged by the responses from the audience as they asked follow up questions about the union and its activities and benefits. I arranged a short quiz session and give away the swags to those who answered correctly. I would like to thank the External Communication Chair for taking initiative of getting a wonderful swag this year. I would also like to thank the stewards and some other members who helped me a lot during those orientations.

Later in the academic year, I attended some of the solidarity events arranged by the stewards in three departments. As of writing this report, I have been closely working with the stewards who are planning to arrange the solidarity events soon. I think these events are very helpful in terms of gathering the members to get to know each other and share their experiences and challenges they face as TAs. This is an excellent opportunity to involve the members in union activities which is why I planned to have the solidarity events late in the year, close to AGM so that members can go to the AGM being informed about union's activities and make well-judged discussions.

I was also active in the executive meetings and tried my best to run the union sustainably. We were able to increase support to some of the member driven programs. I was a member of the finance committee this year as well.

There was no grievance filed in physical sciences division. One of the members raised some concerns but it was not later carried by the member and a formal grievance could not be filed as the member showed no interest. This is a common scenario especially in the engineering where the TAs are not comfortable complaining about their supervisors though they continuously face challenges in performing their TA duties. I have felt this talking to the members in person but since no one wanted to formally file a grievance there is nothing the union can do for them. I would like to request the bargaining team to take this issue into their considerations when they sit with the employer next year.

Finally, I would like to thank the stewards who actively worked with and arranged solidarity events. I also thank my colleagues in the executive committee and our office staffs for their wonderful works over the year.

In solidarity,  
Md Asif Zobaer,  
Chief Steward, Physical Sciences Division

## **Report from the Chief Steward of Social Sciences**

Dear Members,

This year has been a relatively good one in Social Science. Orientations in September went well, and we had stewards volunteer from all departments. Most departments have held solidarity events this year, all of which had great member turnouts. Our event surveys and the recent bargaining survey (sent out via email) have had a fantastic response rate thus far.

There were a few issues that needed addressing in the first semester, which were resolved quickly and without formal grievance filing or escalation. I hope to see this continue next year, where members are aware of their rights as academic workers and departments and TA supervisors are aware of the collective agreement and act accordingly.

We will soon be entering a period of bargaining for our new TA contract next year (our current contract expires August 31<sup>st</sup>, 2017). I would encourage you all be engaged, voice your concerns and get involved. Please discuss with your fellow TAs, in your own department and friends in other departments, what issues you would like to see addressed. We have more bargaining power when our members are engaged and demanding change.

As my term as Social Science Chief Steward comes to an end I would just like to say it was a pleasure serving you this year. I want to thank all the stewards who have volunteered their time and have engaged with members in their departments. I also want to thank my fellow executives for the great work we have done this year. I wish you all a great end of the term and summer! Don't forget to come out and vote in the elections at the end of the month!

In Solidarity,  
Heather Peacock

## **Report from the Chief Steward of Postdoctoral Associates**

### *Postdocs Bargaining*

Postdoctoral Fellows (PDFs) are bargaining for their very first CA together with the Postdoctoral Associates (PDAs). A Tentative Agreement that bargaining team reached with the University after bargaining sessions on Oct 14 and Nov 16, 2016, has not been ratified by the membership. The vote took place on Dec 8 2016. The negotiation with the employer resumed on Apr 3, 2017. The parties were not able to reach an agreement on that day and have agreed that Conciliation will be the best route forward.

### *Postdocs Mobilization Committee*

Postdocs mobilization committee has been working to engage and empower postdocs during the collective bargaining process. PSAC approved \$3,500 for this purpose. The committee so far spent approx. \$1050 for bargaining survey prizes, and refreshments for membership meetings and committee meetings.

The Postdocs Mobilization Committee is seeking for new members. If you would like to contribute to postdocs mobilization efforts, please email at [postdocchief@psac610.ca](mailto:postdocchief@psac610.ca).

### *Postdoctoral Associate (PDA)*

Postdoctoral Associates (PDAs) will be governed by the expired collective agreement (<http://www.psic610.ca/documents/Postdoc%20CA%202016.pdf>) until a new one is negotiated. As per the expired CA, PDAs are entitled to \$1200/yr as a Health Care Spending Account (HCSA) for family health related expenditures. For details of the HCSA claim process, please visit: [http://www.uwo.ca/hr/benefits/your\\_benefits/postdoc/index.html](http://www.uwo.ca/hr/benefits/your_benefits/postdoc/index.html)

At the end of the Fall 2016, several HCSA claims from the PDAs were rejected due to a flaw in the Manulife system. The issue was brought to the attention of HR and resolved promptly.

### *PSAC 610 PDA Scholarship*

PSAC 610 offers an annual PDA scholarship. The Outstanding Postdoctoral Scholarship, worth \$500, is awarded to an outstanding PDA based on research excellence and community involvement. Application form and information can be found at <http://www.psic610.ca/index.php/benefits/scholarships> . Application deadline is April 15, 2017.

In Solidarity,

Jahirul Mazumder

## **Report from the EHP Administrator and Researcher**

### *Status of the EHP*

As of March 15<sup>th</sup>, the EHP performed as follows:

- Granted \$91,890 to reimburse claims.
- Total grants are at 29% of projected claims for the year (\$320,000), roughly in line with past years.
- 306 claimants requested \$108,866 from the program over 414 claims.
- Overall use of the program is currently at 13% of all members, which is slightly below past years.
- The average amount reimbursed to an individual through the program is \$310.

The current balance of the EHP account is approximately \$325,000. This means that the program will likely have an accumulated surplus at the end of the year of over \$100,000. Some or all of this surplus is needed as a hedge against the risk of running the program. The extent to which a hedge or insurance on the program is required is something that I have recommended that the Executive Committee should study. This and other issues limit the amount of funds that the program can distribute and its continued existence.

## **Report from the Bylaws Committee for the Stewards' Meeting, 4 April 2017**

Here is a brief summary of the changes we are proposing to the PSAC Local 610 Bylaws and Policies. These changes will be presented in more detail at the meeting, and the precise wording for these changes is shown in the copy of the bylaws that was sent out with the agenda for the meeting. Here are the changes:

### **Executive Officers**

We propose that assisting the External Communications Chair and the Administration and Internal Communications Chair with their duties be added to the responsibilities of the Divisional Chief Stewards. The motivation for this is that last year, when the position of Community Chair was eliminated, the former Community Chair's duties were not distributed equally among the members of the Executive Committee, but rather were all assigned to the Administration Chair and the Communications Chair. This unequal distribution of duties has created challenges.

### **The Speaker**

We recommend creating the elected, non-executive position of Speaker. The Speaker would be tasked with chairing Stewards' Meetings and General Meetings. The motivation for this change is that typically, we hire someone on a per-hour basis to chair these meetings. If we are going to hire someone anyway, it makes sense that it be a member who is elected for this purpose.

### **Political Action and Social Justice Committee**

We recommend expanding the mandate of the PAC/Social Justice Committee to include fundraising for the Thesis Completion Fund, a new joint effort between PSAC Local 610 and SOGS to raise money to help support students who are beyond their funding period. Per a memorandum of understanding with SOGS, PSAC 610 is responsible for organizing the fundraising, and the Bylaws Committee feels that this work is consistent with the existing mandate of the PAC/Social Justice Committee.

### **Conflict of Interest**

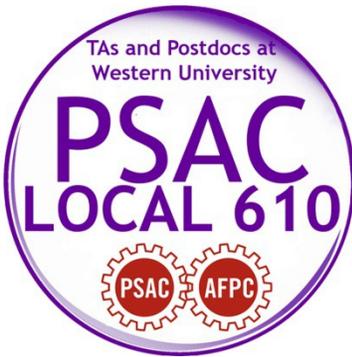

We recommend more specific wording regarding conflict of interest, including instructions for what to do in particular cases.

### **General Meetings and Stewards Meetings**

We recommend a revision of the wording regarding participation of non-members at meetings to bring our policies more in line with best practices.

### **Ratification Votes**

At the suggestion of the Executive Committee, we have added wording addressing how the Local should handle ratification votes.

### Steward Solidarity Event Policy

The Steward Solidarity Event is an opportunity for stewards to host an informal social event at the Grad Club to engage the members of their department.

Our local union has identified the importance of encouraging and supporting our stewards to interact with members of their departments. Through communication and dialogue we will gain a better understanding of working conditions, concerns, challenges and other issues GTA's face in their departments.

In addition to listening to the concerns of our members, this event also creates an informal venue for stewards to highlight the services and benefits that are available to our members, such as the Extended Health Plan, bursaries and scholarships, assisting with any work related problems such as harassment, overtime pay, and so on.

Stewards who run solidarity events are expected to write up a one page report after the event and submit it to their respective chief steward. The report will essentially be a summary of work related issues discussed with members during the event. The better we understand our members' department specific working conditions the better we as a union will be able to support and assist our members.

We feel this is a great way to encourage members in your department to come out to a social atmosphere, get to know their stewards, and have the space to talk about the work concerns and issues they face.

Such as how to book and how the budget works are included below. Importantly, please order food because it is irresponsible to purchase drinks on behalf of someone else without having made food available. The 'preapproved' menu items are intended to make the ordering process easy. You can always order more, up to the limit of your total event budget.

#### Event Details, Budgeted funds

\$20 per union member in your department

- This amount will cover the food and drinks and will also include taxes and gratuities
  - For example, if 20 people attend the event there will be a total budget of \$400 which will include the costs of food, drinks, taxes and gratuity
- To be clear, a member is anyone that is either currently holding a GTA position or anyone who has held a GTA position in the past year – for instance graduate students that held a TA position in the winter or summer of 2012

Food

- Pre-approved food choices are available based on the amount of food you would need for the amount of people that will attend (see below).

Drinks

- Additional food and Drinks can be ordered from the bar and the **bartender will keep a tab and warn you when you are coming close to reaching your budget limit. Events should not exceed two hours in duration.**

- A steward who organizes an event can determine the nature of the event. Last year, some stewards organized a lunch while some stewards thought it best to gather in the evening.
- Do what you think will meet the needs of the members within your department.
- If individual stewards agree to do so, then Stewards can group their events together.
- taxes and gratuities
  - o again these will automatically be included in your tab but they come out of your total budget.

How to book an event:

- 1) Your Chief Steward will give you a contact list of all the members in your department
- 2) Figure out what time works for the members within the department you represent.
- 3) Email Marc Lalonde at the Grad Club and make a reservation for X people from \_\_\_\_\_ department and for what day and time. Also let him know how many of the food packages you would like to purchase. Each package provides snacks for 5 people.

***Basic Food Order - \$40 (1 Nacho, 2 crudite/veggies and dip, and 3 party platter)***

For example, if there are 25 members in your department you would order 5 x Food Order 2 (@\$40) = \$200. Please note, it may be better for small departments to host lunches instead.

- 4) After booking the event, promote the event to members within your department, and have a fun and responsible time
- 5) Afterwards, please email your steward with a brief summary of how the event went – what issues were discussed.

### Extended Health Plan Policy

D. Gault, EHP Administrator

#### **1 Preamble**

- i. The purpose of the Extended Health Plan (the EHP) is to supplement the health care plan or plans of our Teaching Assistant members.
- ii. The majority of our members have coverage through The Ontario Health Insurance Plan (OHIP) or The University Health Insurance Plan (UHIP) along with coverage through an insurance plan provided through The Society of Graduate Students (SOGS).
- iii. This plan is not intended to not replace other health care plans; it merely supplements these plans. For example, a member cannot use this plan to opt out of an otherwise mandatory insurance plan (such as the plans usually offered by SOGS) on the basis that the EHP offers comparable coverage, unless that insurance plan was similarly limited in scope.
- iv. In order to meet the goal of supplementing existing insurance plans, the EHP provides coverage for a wide variety of optical, dental, and other medical expenses.
- v. The EHP operates on a reimbursement or partial reimbursement system whereby an eligible member will pay for an expense and file a claim or claims with their primary insurer or insurers and submit a claim to the EHP for the amount of their expense remaining after the expenses are addressed by their primary insurer or insurers.
- vi. Eligible members will be assigned a balance for each academic year upon which they can draw; this balance, along with the policies of the EHP, determines whether a claimant will be reimbursed, partially reimbursed, or not reimbursed for a claim.

#### **2 Eligibility**

##### **2.1 Eligible Members**

- i. All members in good standing who have or have been promised Teaching Assistant positions during an academic year are eligible to be assigned a balance for that policy year and draw upon that balance through the EHP.

- iii. All Local executive who have held an office and worked in that office for the Local during an academic year are eligible to be assigned a balance for that policy year and draw upon that balance through the EHP.

## **2.2 Family**

- i. Family members of an eligible member who are not otherwise eligible for the EHP are not eligible to be assigned a balance and draw upon that balance through the EHP.
- ii. Eligible members may claim the expenses of their family members as if these expenses were their own, subject to the restrictions outlined elsewhere in this policy.

## **2.3 Balance**

- i. The balance available for each member shall be decided by the budgeting process of the Local.

## **3 Policy Year**

- i. A year of the policy corresponds to an "academic year" that begins on September 1st of one year and ends on August 31st of the following year.
- ii. Eligible members may only file claims for expenses incurred during the policy year for which they are eligible and their claims will be compared against their balance for that policy year.
- iii. Eligible members may file claims for expenses incurred during a policy year for which they are eligible after that year has ended. However, claims filed more than one month after the end of the policy year in which they were incurred may be reimbursed or partially reimbursed at the discretion of the Local.
- iv. A given policy year may be referred to by the year of the September in which the policy year began. For example, the policy year that began on September 1st, 2012 may be referred to as, "policy year 2012."
- v. The Local will make reasonable attempts to allow eligible members to apply for expenses incurred in a policy year after that policy year has ended.

Accordingly, for a given member, the EHP will recognize as legitimate all those expenses that member incurs that are covered by any other insurance plan in which that member participates.

#### Deliverables

The Committee shall communicate its decisions to the PSAC Local 610 Office Manager.

#### Disbursement Policy for Scholarships

PSAC Local 610 awards multiple scholarships once a year to members who demonstrate excellence in the areas of community involvement, academic achievement, and outstanding contributions to research.

The committee will endeavor to distribute scholarships equitably between members at the Masters and Doctoral level of study, and across the four academic divisions of Arts and Humanities, Biological Sciences, Physical Sciences, and Social Sciences. In the event that there is no suitable candidate for a particular award, the committee reserves the right to use the available scholarship funds to make an additional award in another category.

All committee decisions are final and are not subject to appeal, except on the grounds that a conflict of interest can be shown to have occurred.

The scholarships are:

Academic Achievement Scholarship – These are awarded once a year to members in good standing of PSAC Local 610 at Western. There are 16 scholarships available: four for each academic division. The scholarships, worth \$400 each, are typically awarded to eight Masters and eight Doctoral students on the basis of academic achievement and research excellence.

Scholarship for Outstanding Research Contributions – These are awarded once a year to up to four members in good standing of PSAC Local 610 at Western who have demonstrated outstanding contributions to research in their respective fields. The awards, worth \$400 each, will typically be divided equally between students at the Masters level and Doctoral level whose achievements may include, but are not limited to, peer-reviewed publications, conference presentations, and workshops.

Union Scholarship for Community Involvement – These are awarded once a year to up to four individuals who are members in good standing of the Local. Applicants should illustrate a high level of involvement with organizations that contribute productively to the community (internal or external to UWO). Volunteer experience unrelated to the candidate's research with not-for-profit organizations in the community will be weighted more heavily for this scholarship. The awards are of \$500 each and will typically be divided equally between members at the Masters and Doctoral levels.

### **Conflict of Interest and Obligation to Report**

Though all applications are anonymized by the Local's office manager prior to the committee's adjudication of scholarships, occasionally committee members may recognize an application as belonging to a partner, friend, or family member. In such an event, the committee member must declare to the committee chair that there is a conflict of interest and recuse him- or herself from the decision-making process for that scholarship.

Non-executive members of the Scholarships Committee are not barred from applying for a scholarship themselves, however they must recuse themselves from all committee discussions and decisions involving the award to which they have applied.

Committee members need not provide any identifying details about the nature of their relationship to the scholarship applicant (whether partner, friend, family member or self), simply that the conflict of interest exists.

Failure to declare a conflict of interest will result in disqualification after the fact and any award will be rescinded.

Members of the Executive Committee are not eligible to apply for a scholarship during their term of office.

**Duty to Accommodate**

PSAC Local 610 is dedicated to upholding the finding of the Canadian Human Rights Tribunal and the Federal Court of Canada ruling that workers must receive accommodation for their childcare needs.

#### Name

The Financial Assistance Committee

#### Term of the Committee

Applications for financial assistance will be accepted throughout the year to be adjudicated by the committee during regular (monthly) meetings starting in June and ending in May. The applications are accepted throughout the year; however, application periods are divided by each calendar month (1st to 31st), and members can only apply once per term. The committee will adjudicate applications on the second full week of each month.

#### Budgetary Details

The terms of the Collective Agreement provide for the social welfare programming of the Local; these monies are known as "The Financial Aid Fund." The employer provides this funding. The total amount available for the Financial Assistance Committee to distribute per year is as follows: \$34,500 for medical/personal and \$11,500 for academic/childcare.

The Financial Assistance Committee is encouraged to review disbursement criteria to compare demand upon the fund to the available funds within the account. The committee may increase benefit amounts and/or create new programming to meet the needs of the members, if and only if funds are available. The purpose of the Financial Aid Fund is to provide the greatest benefit to members in the greatest amount of need.

#### Members

8. Chairperson: the Administration and Internal Communications Chair, or a designate elected by the Committee.
9. Maximum of 8 members, but the committee can vote to increase the membership cap.
10. Members will be selected and elected by the Executive Committee after a call-out has been sent to the membership.
11. Committee members shall meet several times and coordinate efforts to choose the recipients of financial aid.
12. Meetings will be held at the PSAC Local 610 Union Office, Somerville House Room 1313.
13. Members will receive an honorarium for their contribution.

#### How to Apply

Members should contact the Administration and Internal Communications Chair at [administration@psac610.ca](mailto:administration@psac610.ca) and cc [psac610@psac610.ca](mailto:psac610@psac610.ca) to express interest in joining the Committee. The Executive Committee will consider all members who express interest.

#### Meetings

### *Meeting Duration and Location*

Meetings will be held at the PSAC Local 610 Union Office, Somerville House Room 1313. Meetings shall be held monthly and scheduled for two (2) hours, although they may take less time.

### *Attendance*

Physical attendance at meetings is required, with the exception of remote participation where the Chair deems it appropriate. To maintain membership on the Committee, members shall be physically absent for no more than two meetings per academic year, except under extenuating circumstances (e.g., illness, research travel, bereavement).

### **Non-disclosure Policy**

Members of the committee shall hold confidential all the information related to applications, circulating at the meetings of the committee. This information related to the applications is not to be disclosed or shared with a third party without the written permission of the applicants.

### **Deliverables**

The Committee shall communicate its decisions to the PSAC Local 610 Office Manager.

### **Disbursement Policy for the Financial Assistance Committee**

The Financial Assistance Fund exists to provide assistance to members who experience unexpected financial need. TAs who have held a teaching assistantship for at least one term in an academic year are eligible. This fund is structured as a series of streams to meet the unexpected needs of members who have exceptional demands upon their finances. This policy exists to define such needs, and how the Committee is authorized to respond to and assist applicants.

The Committee recognizes the issues of student poverty within PSAC Local 610. Unfortunately, the Committee must also fund applications according to preferential criteria and cannot offer funding to all applicants. The Committee gives priority to unexpected and unavoidable expenses; therefore, expenses cannot arise from a chronic need. While the Financial Assistance Committee cannot offer funding for general expenses, such as food or groceries, the Local does offer assistance through the Food Support and Resources program. Members are encouraged to apply to this program, should they feel the need to.

Although we offer limited funding for some academic expenses, the Committee cannot act as a substitute for departmental or external funding, nor can we fund tuition or any other academic fee.

To apply, fill out the application form. You will need to attach ALL receipts for expenses already incurred. You will also need to have signed your union card (the blue card). Applicants must be members of the Local at the time of the expense.

Applications are considered throughout the year. Please allow time for a response from the Committee. The committee aims to respond to all applications within one month. Applicants will be notified of decisions by email, and if your application has been successful, you can pick up your cheque at the Local's office.

The Financial Aid Fund is limited and, unfortunately, not all applications can be approved. You may receive a bursary that was not the full amount of your request. These circumstances are based on several factors: need, available funds, and number of applicants. If your application was declined and you want to know why, please contact the Administration and Internal Communications Chair (administration@psac610.ca). Be advised that in contacting the Committee about your application, you will have self-identified, that is to say, your application is no longer anonymous.

The application process assures your confidentiality:

1. Each applicant is assigned an ID number.
2. Applications are reviewed without any identifying information.
3. Committee members must sign a Non-Disclosure Agreement before adjudicating applications.
4. Applications are kept on file for future use in characterizing members' needs for future rounds of negotiations.

Applications must be filled out in full to receive consideration. The Committee will verify the receipts appended to the application. Only documented expenses for which receipts are included shall be considered. Please include original receipts, or photocopies of original receipts, not bank statements.

While the Committee has the authority to fund or deny any application, the following criteria express the Committee's preferences.

Unlikely to be funded:

- Pet care expenses
- Passport fees, Visa applications or permanent residency fees
- Vehicle maintenance expenses (repairs, tires, etc.)
- UHIP expenses
- Textbook purchases, tuition fees
- Technology purchases, unless these can be explicitly justified
- Conference fees or membership fees
- And any other expense that does not qualify as "unexpected need"

Exceptions in the above cases, while extremely unlikely, are possible, at the Financial Assistance Committee's discretion based upon the applicant's justification.

Support for personal and medical emergencies can only be received once per term, up to a cumulative amount of \$500, regardless of when the expense was incurred. The terms divide into Summer (May–August), Fall (September–December) and Winter (January–April), and here refer to the time the committee adjudicates the application, not the date of the expense itself. Support for childcare expenses can only be received up to a cumulative amount of \$500 per academic year (September–August). Support for academic expenses can only be received up to a cumulative amount of \$300 per academic year (September–August).

Should an applicant's claim exceed the allotted \$500 within a single term, the applicant may reapply in the next term for the remainder of the same expense. However, new claims from previously unfunded applicants take precedence. Please note as well that applicants may not receive funding for the same expense more than three times. In addition, the committee cannot consider expenses for which the receipts are more than 12 months old. **Applicants who have received the maximum disbursement in a term are not eligible to apply again to the FAC within the same term.**

The following types of expenses can be funded, with appropriate justification:

**- 1) Medical Emergencies (maximum \$500 per term)**

- These include emergency medical or dental bills, including bills incurred outside Canada
- Please ensure you have applied for and exhausted your eligible SOGS health plan and EHP benefits
- You may claim for a dependent, such as a child, spouse or parent

**- 2) Personal Emergencies (maximum \$500 per term)**

- Examples include but are not limited to:
  - Bereavement travel expenses
  - Financial difficulties related to separating from a spouse or partner
  - Extra expenses incurred during or as a result of an unforeseen, catastrophic home emergency: house fire, flood, sudden unexpected homelessness, etc.
- Note that we can only fund expenses for which a receipt is provided. Please ensure you include receipts and an adequate description of the nature of the emergency.
- The Committee keeps all such private and personal information confidential

**- 3) Academic/Conference Travel (maximum \$300 per academic year)**

- Please demonstrate proof that you have applied to your department and SOGS for travel funding prior to applying to the FAC
- Please enclose records of your participation at the conference (e.g. approved abstract, photocopy of conference program, etc.) and receipts
- The Committee will only consider applications in which the applicant was an approved participant in the academic conference (e.g. as a presenter of a paper or poster, a responder, a panel chair or organizer, etc.)
- The Committee will not fund conference or membership fees
- The Committee will not fund food expenses

**- 4) Child Care Subsidy (maximum \$500 per academic year)**

The Financial Assistance Committee is pleased to offer a subsidy to help members of PSAC Local 610 offset the considerable cost burden of accessing quality child care while they complete their work as teaching assistants. We recognize that as well as balancing their duties as workers, researchers, and students, members who are parents must manage additional financial and personal responsibilities. This subsidy is offered as part of a pilot program that seeks to address child care as a serious member need, and also to gather vital data on how our membership is affected by the cost of child care in Ontario.

- The Committee and PSAC Local 610 may use non-identifying information from applications, such as the financial cost of child care, etc., in order to gather data about how our membership is affected by this issue.
- Please enclose the appropriate documentation and receipts with your application.
- Members are also encouraged to apply to SOGS Child Care Subsidy.
- Only receipts from licensed childcare providers and programs will be considered for the subsidy. For a list of licensed child care providers, go to <http://www.iaccess.gov.on.ca/LCCWeb/childcare/search.xhtml>

Members are encouraged to contact the Administration and Internal Communications Chair ([administration@psac610.ca](mailto:administration@psac610.ca)) should they have questions about the Financial Assistance funding process.

**Appendix M**  
**Mobilization Committee**  
**Terms of Reference**

**Article 1 - Name of the MC**

The official name of the MC is “Bargaining Mobilization Committee,” hereafter referred to as the MC.

**Article 2 - MC Mandate**

TA unions have faced increasingly hostile employers during collective bargaining or in on-going labour relations (e.g., CUPE 3902 at the University of Toronto and CUPE 4600 at Carleton University). It is imperative to our bargaining process that we have structures in place to call upon during bargaining so that the membership stays informed and in the event that collective bargaining stalemates.

The MC will assist the Bargaining Team in communicating bargaining updates to the general membership and mobilizing the membership on bargaining issues. In the event that a tentative agreement cannot be reached, the MC will coordinate strike/lock-out activities.

Please see section 3.2.6 of the Bylaws for more information on ad hoc committee structure, including membership selection.

**Article 3 - Membership**

The MC is open to all members in good standing. The position of MC Chair shall be filled on a per-meeting basis.

The Chair shall be chosen by a simple majority vote at the beginning of each meeting. The MC shall endeavour to give all of its members equal opportunity to participate as Chair and ensure equal access to the role along lines of departmental affiliation, gender identification, and other salient divisions.

**Article 4 - Finances**

The MC autonomously administers an operating budget provided by PSAC Local 610’s Executive Council. The MC shall approve motions relating to expenses at the Committee level in the course of meetings without recourse to the Executive Council. The MC shall, however, endeavour to maintain accurate records of its expenses and relay this information to the Executive on a regular basis. Expenses that require more funding than the MC budget allows may be put forward as a motion to the Executive Council for approval. Motions relating to expenses must be sent to the Executive Council a minimum of two business days prior to its next scheduled meeting.

**Article 5 - Meetings**

During collective bargaining, meetings will be scheduled regularly corresponding to the Bargaining Team’s negotiation schedule. These meetings will generally last no more than two hours. In the event that collective bargaining fails, meetings may increase in frequency and duration.

**Article 6 - Practices and Procedures**

The MC will conduct itself as a direct democratic decision-making body.

Meetings shall be moderated by the chosen Chair (see Article 3). Motions brought forward in MC meetings are put to a vote and will pass or fail on the basis of a simple majority (50% + 1 of those in attendance). No quorum will be enforced for MC meetings at this time.

When debating motions:

- 1 Speak only when recognized by the Chair. Raise your hand to be added by the Chair to the speakers list.
- 2 The MC acknowledges the historical denial of speaking rights to certain groups. The Chair shall act to balance speaking rights to ensure equal participation by all members of the committee when it seems that equality and fairness may be obstructed due to the distribution among speakers for a motion and against, along lines of departmental affiliation, or other salient divisions.
- 3 Be concise, and address your comments to the topic at hand. Whenever possible, limit your comments to constructive criticism and suggestion. Speak using language accessible to the membership of the MC.

#### **Article 7 - Agency**

The MC is not an agent of PSAC Local 610's Bargaining Team and maintains autonomy with respect to the style and reach of its mobilizing efforts. The MC will, however, work with the Bargaining Team to relay accurate and transparent information about collective bargaining to the union membership.

#### **Article 8 - Amendments**

Amendments to the MC Constitution may be brought forward as a "motion to amend" in the course of MC meetings. Motions to amend the MC Constitution are subject to the same governance model and voting policy established in Article 6 of this document.
